Welcome

We Welcome You Wherever You Are On Your Journey

Gym Masses

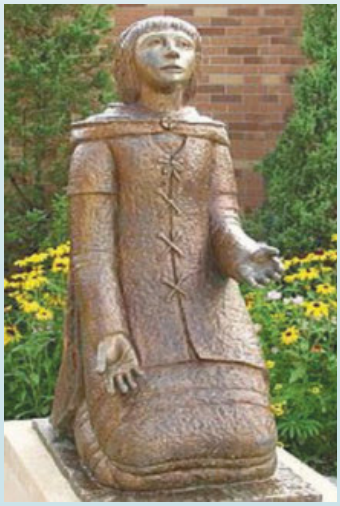
Presider: *Fr. Jim DeBruycker*

We bless the young people who have been preparing for Confirmation, and will hear reflections on this journey from three of the confirmands.

A very special welcome to our talented, teen musicians who offer their inspiration today. *Jack Sonnek,* a High School junior at North High in North St Paul, will sing a meditation solo and *Liam Duffy, a* 10th grader at Great River School in St. Paul, will add his classical guitar to our offertory procession. Thank you! You bless us with your presence!

Family Masses

On Good Shepherd Sunday, when Jesus tells us he came so we would have abundant life, we have a story, *Maybe,* by Kobi Yamada, which invites each of us into a full and happy life by doing everything with love. Thanks to our reader, *Peter Aitchison!* Don't miss any of our joyous Family Masses in the church!



Pastors 2 Cents From: Fr. Jim DeBruycker

As a chaplaincy staff at HCMC, we were constantly doing group work. Every morning we debriefed the previous days interactions and assessed what needed follow-up and what we needed as caregivers. An extensive part of chaplaincy training were the verbatims, transcripts of conversations between chaplain and patient. These were obviously protected conversations which were only discussed in private group meetings. But it was important for others to critique your conversations. It was often surprising to find you had certain prejudices you were not aware of when others listened in and pointed them out to you. I was told I was an expert at avoiding controversial and painful issues I didn't want to talk about. I could easily turn a conversation about someone's cancer into a soliloquy on my hangnail.

A couple of questions that would come up in these group meetings were, "What is your foundational statement? What is/are the guiding principles of your life?" Do you believe people are basically good? Will people do the loving thing if given the chance? Is it get yours, before they get you?" It's something to think about and sometimes we need others to point out how our words and actions reflect on who we are. It's a little like Lucy making a list of improvements for Charlie Brown.

It's the Fourth Sunday of Easter, which always has a shepherd motif. In this cycle, Jesus reminds his listeners that sheep know who their shepherd is and they will follow him, because they trust him and feel safe with him. I can remember sitting on a hillside outside of Bethlehem watching a shepherd mind his flock of sheep. He would make a kind of whistling sound and the flock would immediately change course and follow his lead. Jesus tells us you know in your heart what is the right and loving thing to do. When you are doing these things, you are at one with the Spirit. Actually, this is his definition of peace; not necessarily being quiet without conflict, but being at one with your beliefs and acting according. Knowing this is the way to go.

So, what is your foundational statement? What energizes you to do good? When do you have the feeling that you are on the right path in life? What blocks that path? Today, our confirmands will share some of their thoughts as they make the decision to enter into the faith commitment of Confirmation.

In addition to being a legal document, a will is an ethical document that conveys your values and priorities from which organizations and causes important to you may benefit. We hope that in preparing your will you consider including St. Joan of Arc as a beneficiary. If you already have, please let us know so we can thank you. Our legal title is Church of Saint Joan of Arc, Minneapolis.

Wedding Policies: Weddings at St. Joan of Arc are provided as a service to members of the parish community. For a wedding to take place at SJA, it is necessary that one of the engaged couple be a registered member of the parish for at least six months before a wedding date can be set. A date can only be scheduled by one of the priests after an initial interview with the engaged couple. A minimum of six months from the time the date is set to the wedding is necessary in order to complete requirements. In cases where there has been a previous marriage ending in divorce, it is not possible to set the wedding date until notice of an annulment is in hand. FFI contact Marie Thielen at mthielen@stjoan.com.

Recycle: Please use the labeled receptacles for compost, paper, glass, plastic, cans, waste and cups. By doing so we will be ecologically responsible and a big help to our maintenance staff as well. Thank you.

Catholic Social Teaching: The Foundation of Our Faith and Our Shared Future. The principles of CST offer us a powerful lens through which to see and love the world as God does. They are a blueprint for us in overwhelming times:

- **Human Dignity**: Every one of us is created in the image and likeness of God.
- **Common Good**: We realize our human dignity in relationship and community.
- **Option for the Poor**: The moral test of our society is how we treat our most vulnerable.
- **Rights and Responsibilities**: We all have a fundamental right to what is needed to live in dignity - life, food, shelter, health care, education, employment. We also have a responsibility to participate in our public life together.
- **Role of Government**: The state has a positive moral function to promote human dignity, protect human rights and build the common good.
- **Economic Justice**: All workers have the right to decent and fair wages and safe working conditions. No one is allowed to amass excessive wealth while others lack the basic necessities of life.
- **Stewardship of God's Creation**: We are called to live in right relationship with the earth.
- **Promotion of Peace and Disarmament**: Peace is not just the absence of war. Peace is the fruit of justice.
- **Global Solidarity**: We are called to work together globally in an interdependent world.

We women of one country will be too tender of those of another country to allow our children to be trained to injure theirs. From the bosom of a devastated earth a voice goes up with our own. It says, 'Disarm, disarm! The sword is not the balance of justice'."
