SAINT JOAN OF ARC Catholic Community

Welcome

May 14, 2023

We Welcome You Wherever You Are On Your Journey

Gym Masses

Presider: *Fr. Jim DeBruycker*

Today we welcome *Joan Mitchell,* CSJ, she will reflect on the inestimable value of mothering and caretaking in early life that nourishes curious, loving, justice seeking believers for our time in an evolving and unfinished universe.

Today at our liturgies, we celebrate women and all who practice the art of mothering with special music from *Deb Harley*, *Anna* & *Fred Vagle*, *Tommy Barbarella, Dik Hedlund* and *Pete Johnson*. Thank you for bringing your songs of hope and joy for all of us, and welcome back *Deb Harley!* You've been away too long.

Family Masses

On Mother's Day, we celebrate those who raise us and give thanks for a great year of Family Masses together. We'll have a story, *Big Momma Makes the World*, about an earthy, no-nonsense, and deeply loving Creator and her beloved creation. We'll have music by our Children's Choir and a leaving blessing for all. Don't miss our last Mass in the church for the season!

Pastors 2 Cents From: Fr. Jim DeBruycker

Well, the culture wars continue. Recently, I received another missive from the chancery office. It begins," As you know, it is our policy to inform pastors if we are contacted about a concern expressed to us about their parish." In this particular instance, we were declared a rogue parish. Why? Because we have a book club called the LBGTQ+ Book Club. The book club has been around for over six years and has discussed a number of books and not all of them concerning gay issues. However, in the world of the culture wars, just saying *'LGBTQ+'* is enough to receive damnation.

In 1987, after Cardinal Ratzinger declared gays and lesbians intrinsically disordered, members of Dignity, the Catholic gay and lesbian association, were ordered to swear an oath of acceptance of Catholic teaching on homosexuality, if they wanted to remain celebrating liturgy at the U of M Newman Center. Given the way the oath was written, most couldn't honestly do this and so we marched across the street to the Episcopal Center. It was a sad day because Dignity had become a safe and welcoming place to come out in a hostile world. Most left the Catholic Church and went to All God's Children, Spirits of the Lakes, UCC and Episcopal Churches.

What made it even more painful was that the evening we left the Newman Center, Michael Osterholm, the Minnesota epidemiologist, came to report on his anonymous testing of the community for HIV. A couple weeks before he had asked the community if they were willing to be anonymously tested for HIV. He wanted to get a picture of the AIDS epidemic in Minnesota. At that time only, a few people had come down with the illness. The results were terrifying; close to a third of the members were infected. Almost on cue our people started to get sick.

The next years were spent trying to support the sick and dying. St. Joan's and many other Catholic Churches provided care and comfort to people with AIDS. St. Joan's even turned their old rectory into Grace House, a hospice for people with AIDS, and many of you volunteered to cook, clean, and pray with the Grace House guests. St. Edwards and St. Olaf's had volunteers in the hospitals, and many were 'buddies,' taking care of the needs of the sick.

Why bring this up now? For one, if this is what it means to be a 'rogue' parish, hurrah for us! It is also a reminder that there are always those out there who try to make you into the 'other' so you can be ignored or rejected. Hopefully we stay committed to, *"We welcome you wherever you are on your journey."*

Happy Mother's Day!

Mother's Day Call to Peace: Today, Sunday, May 14, our SJA WAMM/Peacemakers will have info available in the Welcome Center after Mass on community peace actions and events. Mother's Day was originally a call to end war from Julia Ward Howe, an abolitionist who wrote in 1870: *"Our sons [and daughters] shall not be taken from us to unlearn all that we have been able to teach them of charity, mercy and patience. We women of one country will be too tender of those of another country to allow our children to be trained to injure theirs. From the bosom of a devastated earth a voice goes up with our own. It says, 'Disarm, disarm! The sword is not the balance of justice'."*

- **Human Dignity**: Every one of us is created in the image and likeness of God.
- **Common Good**: We realize our human dignity in relationship and community.
- **Option for the Poor**: The moral test of our society is how we treat our most vulnerable.
- **Rights and Responsibilities**: We all have a fundamental right to what is needed to live in dignity - life, food, shelter, health care, education, employment. We also have a responsibility to participate in our public life together.
- **Role of Government**: The state has a positive moral function to promote human dignity, protect human rights and build the common good.
- **Economic Justice**: All workers have the right to decent and fair wages and safe working conditions. No one is allowed to amass excessive wealth while others lack the basic necessities of life.
- **Stewardship of God's Creation**: We are called to live in right relationship with the earth.
- **Promotion of Peace and Disarmament**: Peace is not just the absence of war. Peace is the fruit of justice.
