We Welcome You Wherever You Are On Your Journey

Gym Masses

Presider: **Fr. Jim DeBruycker**

Pre-mass Speaker: **Ellie Krug** will speak on *The Four Commonalities: A Blueprint for Inclusivity*. Thank you for being with us, Ellie, and for all you do to bring justice and joy to the world.

We welcome world class mandolinist and recording artist, **Richard Kriehn**, to add his beautiful music to our gym liturgies today. Many may know Richard from his years as a musician for *A Prairie Home Companion* radio show. Richard joins the *Lush Country* band at tonight's *Urban Farmer's Almanac* concert at 7pm in the SJA gym. Don't miss it! Thank you as always.

Family Mass

For the gospel of the vine and the branches, SJA middle-schooler, Mina Rossi, will ask us to think about our connection with all of creation and our responsibility for the future of our children. Join us in the church at 9:45/11:45 for our joyful liturgies that celebrate our young people and their families!

Pastors 2 Cents From: Fr. Jim DeBruycker

Walking around Richfield Lake yesterday was a real celebration of hope. There were ducks, geese, terns, herons and a wide variety of songbirds, not to mention a few turtles sunning themselves on a log. Maybe Spring has sprung!

'I'm out of sorts today.'

'I just don't feel connected.'

'My life seems to have gotten away from me.'

I could go on and on with clichés about those times in life when we just don't feel like our life has meaning. The cause can be stress, lack of self-care; diet and exercise or more seriously, clinical depression. Or maybe it can be just coming out of six months of ice and snow.

Sometimes it's because we have walked away from those things that give us meaning and reassurance, our relationships and our convictions. When you quit walking the talk, you can get an empty feeling inside.

With the caveat of the pot calling the kettle black, maybe Spring is a time to take that moral inventory to see if you are being honest to yourself.

The comparison of the vine and the branches is a good one for us. A good vintner makes sure the vines are not wasting nutrients on extraneous branches which are not necessary to the fruit. Those branches are snipped away and thrown into the fire-or the compost heap-where they can become fuel for heat or fertilizer for new growth.

So what is draining away your vitality and keeping you from being your best self? What needs to be snipped and trimmed? Unmet challenges? Broken promises and relationships? Healthful living? Not living up to your own expectations? Not being assertive where you need to be? Your integrity is in question?

If you have none of these issues, congratulations! You are doing well...or acutely mentally ill. But if you are like the rest of us, slowly but surely you are going to need to snip away those vitality draining habits and thoughts. Resurrection depends on it.

The Sunday Morning Registration and Information Office is located in the Parish Center. In the office you may register to become a SJA parishioner, get program information, sign up for a program, and register to volunteer. The office is open after both of our Sunday morning liturgies.

Parking: Be considerate of our neighbors and their property. Please don't block driveways or park in their on-street handicapped areas. Thank you!
