

Dear friends at St. Joan of Arc,

I am attaching two letters from Tierra Nueva 2, one from the sister parish committee and one from the Peregrinos 1 Bible Study group, expressing condolences and paying tribute to Bob Heberle.

Father Isidoro also wrote me to say how sorry he is to hear the news and that he spoke of Bob at mass on Sunday and everyone in the church prayed for him and his family and said, may the Lord receive him with love. He also said he is glad that the delegation had the chance to express their love during the recent visit.

I also saw Eluvia and Yoli this weekend, both of whom sent their love and prayers.

I will be holding you all in my thoughts,  
Carrie
